Svenska	Brätte storlek	Höjd utomhus	Blomningstid	Toppning

Crop time: Indication in weeks from potting till flowering, based on optimum growing – temperature – and light conditions in Holland. **Plant habit:** If mentioned 'trailing' then also good to use in hanging baskets

Dear Grower,

Please find enclosed our new catalogue!

We are delighted to be able to present to you our 2019 assortment. Our experience, independence and unique global network have helped us to select the top-quality varieties both in seedlings and cuttings. Our international sales team stands by to support you. Together we can optimize our businesses. It is always good to make improvements for the next season, let's do it together!

Where can you find us? Schneider is participating at IPM in Germany, Four-Oaks in England, GLAS in Ireland, Flower Trials and Hortifair in the Netherlands, Wyss Gartentagen in Switzerland, Crocus in Russia and Indagra in Romania. Of course you are also welcome to visit our nursery, please feel free to make an appointment.

We hope to continue a good business relationship,

Sincerely,

Jacob Schneider, Director

Index

ANNUALS

Antirrhinum majus	12	Hedera helix	16	Petunia x hybrida	21

In the recent years we have taken many environmentally friendly measures to reduce the use of pesticides. In addition to the efficient use of biocontrol agents.

The traceability of the use of plant protection products, is consistently implemented.
Written certifications you can find on: **www.schneiderbv.nl/downloads**

Schneider is member of FleuroSelect, the international organisation for the ornamental plants industry.

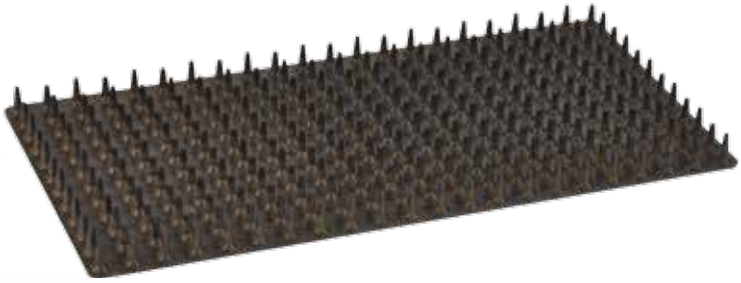
Push-Up Plates

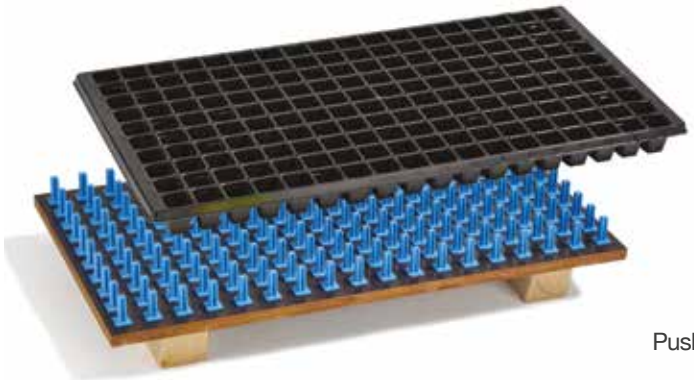
We have 3 kind of push-up models available for you. The most durable and effective one is the table model, but we offer plastic and wooden models as well.

Push-Up Tabel model

This new model is suitable for both 405 and 288 trays. This is due to the frame being seperate from the interchangeable mechanisim.



Push-Up Plastic model



Push-Up Wooden model 180

Flower trials

Block week 24 now! We will display the latest assortment in pot and bedding plants to wholesalers, growers and retailers in the Westland area in the Netherlands.

Schneider is working together with Kasteeltuinen Arcen. On this unique location Schneider is testing the large assortment. It is important to see the garden performance of our plants. So in week 24 you can see at the Flower Trials a nice presentation and a few weeks later you can visit Kasteeltuinen Arcen to see the further developments of the plants. For Schneider customers the entrée to those professional gardens is free of charge.

Please feel free to contact us, so we can make an appointment with Kasteeltuinen Arcen.
